## AUTOMOTIVE REPAIR SERVICE MANAGER

The Love Church, an inner city entrepreneurial outreach, is seeking a unique individual to manage and give direction to their Automotive Repair and Training Center. The Goal is to find a leader who has the ability and passion to develop and expand a viable and successful Auto Repair Service and Training Facility.

Key Qualifications – This person must:

- love the Lord and people and embrace Christian values
- possess strong automotive/mechanic skills and experience
- desire to coach and train others in developing automotive repair skills
- have an entrepreneurial spirit with the ability to develop and execute a workable business plan
- work well with a diversity of people using excellent customer service skills
- have experience in supervision and team building

This salaried position offers a flexible and competitive compensation package with bonus potential.

If you are interested in seeking a new career opportunity that adds meaning and purpose to your life please e-mail your resume to [dkellenberger@me.com](mailto:dkellenberger@me.com), or call Doug at (260) 410-7565 for more information.
